PATENTASSIGNMENT

FOR VALUE RECEIVED, I, Edward F. Andrewlavage, Jr., residing at 173 Old Bridge Road, Danville, Kentucky 40422, hereby sell, assign and transfer unto Corning Incorporated, a corporation of New York, having a place of business at Corning, New York 14831, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to

AUTOMATED FLAT GLASS SEPARATOR

described in an application for Letters Patent of the United States identified by attorney docket number ADP-167 and having the following serial number and filing date:

Serial Number: 09/653,617

Filing Date: August 31, 2000

and in any future patent applications claiming the benefit of the filing date of that application, and all the rights and privileges under any and all Letters Patent that may be granted therefor

I request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

I hereby authorize and request my attorney, Maurice M. Klee, of 1951 Burr Street, Fairfield, Connecticut 06430, to insert in the blanks set forth above, the serial number and filing date of my United States patent application on the inventions which are the subject of this assignment when said serial number and filing date are known.

Signed at HARRODSBURG KY

this 30 day of AUGUST, 2000.
